

# 11<sup>TH</sup> LANSCE SCHOOL ON NEUTRON SCATTERING

Materials at the Mesoscale  
February 18 – 27, 2015

neutronschool.lanl.gov

neutronschool@lanl.gov

## FEATURED SPEAKERS

(partial list)

Levente Balogh  
Matt Hegelson  
Peter Hosemann  
Ricardo Lebensohn  
I. Cev Noyan  
Cindy Welch  
Hans-Rudolph Wenk  
Claire White

CO-DIRECTOR  
Heinz Nakotte  
NMSU

CO-DIRECTOR  
Anna Llobet  
LANSCE

## SCHOOL ORGANIZATION

Edwin Fohntung (Co-Chair)  
Graham King (Co-Chair)  
Jarek Majewski (Co-Chair)

Millicent Firestone  
Don Brown  
Rex Hjelm  
Daniel Olds  
Sven Vogel

**Apply Online | Deadline: November 10, 2014**

Registration is free. | All local expenses covered. | Travel may be supported.  
Space is limited to 30 students. | Minorities are encouraged to apply.

The School is primarily intended for graduate students & post-docs  
in chemistry, geosciences, materials science and related fields.

Co-Sponsored by:

National Science Foundation (NSF) | Los Alamos National Laboratory (LANL)  
New Mexico State University (NMSU) | Los Alamos Neutron Science Center (LANSCE)

Partial Support Provided by:

Institute for Materials Science (IMS) | Matter-Radiation Interactions in Extremes (MaRIE)  
Center for Integrated Nanotechnologies (CINT)
